I want to encourage you to invite your friends, family, co-workers, and neighbors to tour Judgement House. Judgement House is a special opportunity to present the Gospel in a very unique way. What is Judgement House? Groups of 12 people are sent through Judgement House every 15 minutes. They will walk from scene to scene. The sets will be decorated specifically for each particular scene. This year's script is very relevant to today. People may be able to see and put themselves into the very scenes that our CCBC actors are acting out. This may help simplify the message for them. They will reach a scene that helps them better understand the consequences of our action or our inaction. In years past we have seen many make a decision to accept God's free gift of grace. We have also seen high numbers come to make sure they understand salvation. We have seen many come for counsel in some other area of their life. With all of this in mind, it is so important to be prayerful about who you will invite and to get their reservations booked. We already have over 50% of the spots reserved so get those reservations made and invite people to come and walk-thru the Vanished Judgement House. And, let's pray for God to work to draw people to Him for salvation. It is His work. We are just showing up and being obedient to His call. God bless you all.

Bro. Keith
