

February 2, 2025

James has been a study that helps us examine ourselves. It is God's desire for us to become more Christ-like. This is how we win a lost and dying world. He wants us to make sure we have a spirit of unity and a spirit of love in the church which helps and encourages others. On Sunday night and Wednesday night we studied about what James has to say about favoritism (partiality) and its damage to the unity and fellowship of the church. It divides the Body of Christ. It makes the Body difficult and causes distance. It is demonic and destroys the assembly (the church), and is deadly and destructive to the church assembly. However, love breathes life into the church assembly. James shows us the importance of relationships in the Body of Christ and the role it plays. Without a doubt, our hurting community needs the greatest gift of all: love from the church.
