Unseen - NEW!

Do prayers really matter? Is God really working, even when we can't see anything changing? This script focuses on how the Lord hears the prayers of those who love and follow Him. The drama starts with teens sharing concerns with each other regarding people they care about. As a group they pray to God and tell Him what is on their hearts. We will look into the lives of the people who were prayed for and you will get to witness how God moves in their lives. These individuals are given a choice as to whether to accept or reject the Good News of Jesus' love and sacrifice. The consequences of those decisions will play out as they stand in Judgement.

We are looking for additional volunteers to rotate helping with providing a meal for the youth on Sunday nights (at 5:20 p.m.). Volunteers typically serve once every 10 weeks and bring a meal from home or buy pizzas or buy tacos, etc. We can also reimburse for the meal. We just need to make sure the youth are served for their gathering on Sunday evenings. If you can serve please see Carrie Toner or contact the church office.
